

Visualisation Material and Assets Library Specialist with passion to create homes for the many

The way we work

At Bonava, we challenge ourselves every day, driven by a passion to create happy neighbourhoods for the many. We strive towards high set goals and have lots of fun along the way. We're a large international company with a familiar feel. Together we offer a wide array of expertise and a place where you can grow.

As a Visualisation Specialist, you will be responsible for:

- Manage Bonava VDC library of materials and assets used for visualisations in 3D Studio Max and rendering tools;
- Ensure assets, materials and visual props are properly licensed and managed;
- Develop and maintain Guidelines and user guides for VDC based Visualisation based on the Group VDC Guidelines;
- Support Bonava's Business units with visualisation competence and training;
- Develop and manage scripts and solutions in our visualisation tools to increase Bonava's capabilities to rapidly visualise homes and neighbourhoods;
- Keeping track of trends and global industry monitoring within the field of visualisation.

Your profile

- Skills in rendering software and knowledge of BIM for creating visualisations, Bonava is standardising on Autodesk Revit, 3D Studio Max so experience in these are favourable;
- Knowledgeable in materials, rendering, assets and a general understanding of how BIM can be used to drive visualisation workflows;
- Previous experience in visualisation using BIM;
- Good use of English in both speaking and writing;
- Drive and persistence as you will be a part of a global team distributed over all our business units.

Join our journey

You will have the opportunity to exchange knowledge and experience with colleagues of the Bonava Group in 8 countries and play an important role in changing the housing game. For applying and specific questions regarding the position, please contact our recruitment partner: **CVO Recruitment Latvia** at cv@cvor.lv.
